

## Our Aims

**Bridges promotes knowledge and learning for a fairer world.**

Our vision is a fairer world where all people are respected, learn together and are able to take action.

### **Bridges' Vision**

Our vision is a world where all people are **respected**.

*We will promote:*

- *knowledge and understanding of universal human rights and cultural diversity, here and around the world;*
- *participatory approaches to learning.*

Our vision is a world where people **learn together**.

*We will promote learning together to understand global issues such as unequal world development and the impacts of environmental change:*

- *with people in a group, in the locality and from other localities in the county, nationally and overseas;*
- *to explore different perspectives and understand how our lives are interconnected;*
- *to build the capacity of those organisations and individuals involved.*

Our vision is a world where people are enabled to **take action**.

*We will promote:*

- *learning that raises awareness of how our actions impact on others globally;*
- *opportunities for taking action.*

**Bridges is a hub for people, resources, ideas and information for a fairer world.**

*We provide:*

- *experienced personnel to facilitate learning in a variety of settings;*
- *information about opportunities for learning and action in the locality;*
- *opportunities for people and organisations to come together collaboratively.*

**Bridges aims to be a fair organisation that acts in a globally responsible way and where people respect each other and learn together.**
